# Welcome to LSPMK Group of Companies

Established in 2014, our company has rapidly grown into a leading provider of essential services with a team of over 1000 dedicated professionals. We serve clients across all the emirates, offering top-tier Manpower, Technical Services, MEP (Mechanical, Electrical, and Plumbing), and Elevator Services. Partnered with leading international elevator brands, we provide professional and cost-effective solutions. Our staff, with years of experience, ensures efficiency and expertise in every project.

We manage ISO standards and other quality certifications, emphasizing customer satisfaction. As one of the fastest-growing organizations in the UAE, we have completed numerous major projects on time and within budget. Our highly skilled operations team and management continually enhance our offerings and expand our reach. With a strong focus on quality and innovation, we ensure that our clients receive services tailored to their unique needs. Partner with us to experience the reliability and excellence of a trusted and experienced service provider, dedicated to delivering exceptional results and exceeding expectations.

**10+** Year's of Excellence

**200+** Satisfied Clients

**200+** Completed Projects

Our elevator services encompass a comprehensive range of solutions designed to meet the diverse needs of our clients. We specialize in the installation of new elevators, ensuring seamless integration with existing building infrastructure. Our installation services cover various elevator types, including passenger elevators, freight elevators, and specialized lifts such as hospital and panoramic elevators. In addition to installation, we offer modernization services for outdated elevator systems. Our modernization solutions enhance the performance, safety, and aesthetics of existing elevators, using cutting-edge technology to upgrade control systems, improve energy efficiency, and ensure compliance with the latest safety standards, providing a reliable and modern experience for all users.

## Our Mission

To improve business and company process through continuous actions of positive re-enforcements.

## Our Vision

To be recognized for leadership, commitment and innovation among our clients, principals and competitors.

we offer modernization services for outdated elevator systems. Our solutions are aimed at enhancing the performance, safety, and aesthetics of existing elevators. We utilize technology to upgrade control systems, improve energy efficiency, and ensure compliance with the latest safety standards. Our preventive maintenance programs are tailored to minimize downtime and extend the lifespan of elevator systems. Regular maintenance checks are conducted by our experts, who are trained to identify and address issues before they escalate. This proactive approach ensures that elevators operate smoothly and reliably, reducing the likelihood of unexpected breakdowns.

Our commitment to quality, innovation, and customer satisfaction drives us to continuously improve our elevator services. By blending technical expertise with a customer-centric approach, we provide reliable and efficient elevator solutions that enhance the safety, convenience, and value of any property. We ensure top-notch service and support for all client.

## Elevators and Escalators Installation and Repair

Our company specializes in providing comprehensive installation and repair services for elevators and escalators, catering to diverse needs across residential, commercial, and public sectors. With a strong commitment to quality and safety, we ensure that each project is executed with precision and efficiency. We excel in the installation of various types of elevator and escalator systems, tailored to meet specific architectural and functional requirements. Our installation process is meticulous, focusing on seamless integration and optimal performance. Whether it's a new installation or a modernization project, we leverage our expertise to deliver reliable solutions.

Our repair services are designed to keep elevators and escalators running smoothly and safely. We offer timely and efficient repairs, including emergency response capabilities to minimize downtime. Our teams equipped with advanced diagnostic tools to swiftly identify and resolve issues, ensuring minimal disruption to building operations. Additionally, our preventive maintenance programs help enhance system reliability and extend equipment lifespan, reducing the risk of unexpected breakdowns. At the core of our operations is a commitment to maintaining the highest standards of quality and safety. We adhere to industry best practices and regulations, and our team undergoes regular training to stay updated with the latest technologies and techniques. Customer satisfaction is paramount to us, and we work closely with clients to understand their needs and deliver solutions that exceed expectations. With years of experience in the elevator and escalator industry, we combine technical expertise with innovative solutions to address complex challenges. Whether it's enhancing energy efficiency, improving accessibility, or upgrading safety features, our solutions are designed to optimize building functionality and user experience.

### Choose LSPMK Group for Excellence in Vertical Transportation Solutions

- Precise installation tailored to your building's needs.
- Emergency response to minimize downtime.
- Preventive care for reliable performance.
- Adherence to stringent safety standards.
- Solutions tailored to exceed client expectations.
- Utilizing cutting-edge technology for efficiency.
- Committed to excellence and customer satisfaction.

Enhance your home with our expertly installed custom elevators, seamlessly blending with your space. Improve accessibility and add luxury, ensuring convenience. Our installation services prioritize quality, precision, and the highest standards of safety and functionality for your residential needs.

Transforming residential spaces into accessible and luxurious environments, our home elevator services epitomize elegance and functionality. Elevators have evolved beyond their utilitarian roots to become integral features in modern homes, offering both practicality and aesthetic enhancement. Whether integrating a sleek, modern design or preserving traditional aesthetics, our installations prioritize seamless blending with architectural nuances. Each project begins with a thorough consultation where our experts collaborate closely with homeowners, architects, and designers to conceptualize the ideal elevator solution. We consider factors such as space constraints, architectural style, and personal preferences to deliver a bespoke elevator that enhances both functionality and visual appeal. From structural modifications and electrical work to installation and finishing touches, we maintain a keen focus on quality craftsmanship and attention to detail, ensuring each elevator is installed with care for smooth operation, reliability, and safety.

Beyond installation, our commitment extends to comprehensive maintenance and repair services designed to uphold the longevity and reliability of your home elevator. Regular maintenance is essential for ensuring optimal performance and preventing potential issues. Our maintenance programs are tailored to meet the specific needs of each elevator system, incorporating routine inspections, lubrication, and adjustments as

necessary. Our skilled technicians are available for prompt repairs, equipped with advanced diagnostic tools to quickly identify and address any issues, minimizing downtime and ensuring continuous functionality. We adhere to stringent industry standards and regulations throughout the installation and maintenance processes.

Our dedication to client satisfaction is reflected in our personalized approach to service. We understand that every homeowner's needs are unique, and we strive to provide tailored solutions that cater to individual preferences and lifestyle requirements. Whether installing a home elevator for accessibility purposes, convenience, or simply as a stylish addition to your home, we are committed to delivering solutions that exceed expectations. Choosing our home elevator services means investing in enhanced accessibility, comfort, and aesthetic appeal for your residence. Beyond the practical benefits of improved mobility and convenience, our elevators contribute to the overall value and desirability of your home. They serve as a testament to modern living, blending seamlessly into the fabric of your home while enhancing its functionality and luxury with every detail.

Ensure seamless patient and staff transport with our specialized hospital elevator installations. Designed for efficiency and safety, our elevators meet stringent healthcare standards, enhancing operational flow and patient care. Trust our solutions to provide reliable, smooth transportation within medical facilities, prioritizing both functionality and safety

Our hospital elevator installations prioritize safety and compliance, ensuring reliable transport for efficient operations and optimal patient care, meeting stringent healthcare regulations.

Specializing in hospital elevator services, LSPMK Group prioritizes efficiency, safety, and seamless operational flow within medical facilities. Our dedicated team understands the critical role elevators play in healthcare settings, where timely and secure vertical transport is essential for patient care and staff efficiency. Each hospital elevator installation by LSPMK Group begins with a meticulous assessment of the facility's layout, patient flow, and regulatory requirements. We collaborate closely with hospital administrators, architects, and healthcare professionals to design and implement customized elevator solutions that meet the unique needs of the facility. Whether upgrading existing systems or installing new elevators, our goal is to optimize efficiency while maintaining compliance with stringent healthcare regulations.

Our expert technicians and engineers from LSPMK Group manage every aspect of the installation process with precision and expertise. From structural modifications to electrical wiring and integration with hospital systems, we ensure that each elevator installation is completed efficiently and with minimal disruption to hospital operations. Rigorous testing and inspections are conducted to verify safety and performance, ensuring that the elevators meet or exceed industry standards and regulatory requirements. In addition to installation, LSPMK Group provides comprehensive maintenance and repair services to ensure the ongoing reliability and safety of hospital elevators. Our team is dedicated to maintaining the highest standards of service.

Safety is our utmost priority in all hospital elevator projects at LSPMK Group. We strictly adhere to healthcare regulations and safety standards, implementing measures to protect patients, staff, and visitors. Each elevator installation is designed and executed with a focus on mitigating risks and enhancing operational efficiency within the healthcare environment. Our commitment to excellence at LSPMK Group extends beyond technical expertise to encompass personalized service and support. We understand the critical nature of hospital operations and prioritize responsive communication and collaboration throughout the project lifecycle. Our goal is to exceed expectations by delivering reliable elevator solutions.

When considering your next commercial lift, it's essential to choose a provider that not only delivers top-quality products but also exceptional service. We offer a comprehensive range of elevator services tailored to meet the needs of commercial buildings. These services include the installation of new elevator systems, ensuring they are seamlessly integrated into your building's design and function. We specialize in the modernization of existing elevators, updating them with the latest technology to enhance performance, safety, and energy efficiency. Additionally, we provide regular inspections, preventative maintenance, and prompt repair services to minimize downtime and keep your elevators operating smoothly.

At LSPMK Group, we are committed to delivering exceptional customer satisfaction through our dedicated service and support. Our team of experts is available around the clock to address any issues that may arise, providing rapid response and effective solutions. By partnering with us, you can be confident that your elevators will operate safely, efficiently, and reliably, ensuring a smooth and comfortable experience for all users. We understand the critical role that elevators play in the functionality of commercial buildings, and our mission is to provide the highest level of service to keep your operations running seamlessly.

LSPMK Group specializes in premier commercial lift services, encompassing installation, modernization, maintenance, and emergency repairs. Leveraging over a decade of expertise, we ensure dependable, efficient, and secure elevator solutions tailored to diverse commercial building requirements.

when you choose LSPMK Group for your commercial lift needs, you gain access to not just our technical expertise but also a commitment to innovation and reliability. Our installation services are tailored to ensure that your new elevator systems integrate seamlessly with your building's design and function, enhancing both efficiency and aesthetics. For existing elevators, our modernization solutions leverage cutting-edge technology to improve performance, safety features, and energy efficiency, keeping your building up-to-date with industry advancements. We prioritize regular inspections, preventive maintenance programs, and responsive repair services to minimize disruptions and maximize uptime. This proactive approach ensures that your elevators operate at peak performance, meeting the demands of your commercial operations without compromise.

When considering your next Machine Room-Less (MRL) passenger lift, LSPMK Group stands out as the premier choice. Our MRL lifts maximize space efficiency by eliminating the need for a separate machine room, making them ideal for buildings where space is at a premium. They offer smooth, quiet operation, high energy efficiency, and superior ride comfort, thanks to advanced engineering and innovative technology. At LSPMK Group, we excel in MRL passenger lift installation, ensuring seamless integration with your building's architecture. Our expert technicians handle every aspect of the installation process meticulously, ensuring precision and adherence to safety standards. We also specialize in modernization services, upgrading existing lifts with the latest MRL technology to enhance performance, reduce energy consumption, and extend the lifespan of your lift systems. Trust LSPMK Group to deliver state-of-the-art MRL solutions that optimize your building's vertical transportation.

LSPMK Group specializes in top-tier commercial lift services, offering comprehensive solutions from installation and modernization to maintenance and emergency repairs. With over a decade of expertise, we ensure dependable, efficient, and secure elevator solutions tailored to the specific needs and demands of commercial buildings, prioritizing safety, reliability, and operational efficiency.

At LSPMK Group, our commitment centres on delivering unparalleled customer satisfaction through dedicated service and comprehensive support. Our team of experts is available 24/7 to promptly address any issues that may arise, ensuring swift and effective solutions. Partnering with us guarantees that your elevators will operate safely, efficiently, and reliably, providing a seamless and comfortable experience for all users. We recognize the critical importance of elevators in the functionality of commercial buildings, which drives us to uphold the highest service standards. Our mission is to maintain operational continuity seamlessly, ensuring that your business operations run smoothly without disruptions. With a proactive maintenance approach and responsive service, we strive to exceed your expectations and deliver unmatched reliability in vertical transportation solutions for your commercial needs.

Our commitment to elevator maintenance is rooted in ensuring the long-term reliability and efficiency of your systems. We meticulously conduct regular inspections, proactive preventive maintenance, and swift repairs to minimize downtime and ensure uninterrupted operations. Our specialized team also excels in compliance testing and certification, ensuring that your elevators consistently meet stringent safety and regulatory standards. With over a decade of experience, LSPMK Group is dedicated to delivering tailored solutions that meet the unique needs of each client. Whether it's installation, modernization, routine maintenance, or emergency repairs, our comprehensive elevator services are designed to optimize performance and enhance safety in your commercial building. We prioritize proactive measures to pre-empt issues, leveraging advanced diagnostic tools and industry expertise to maintain peak operational efficiency.

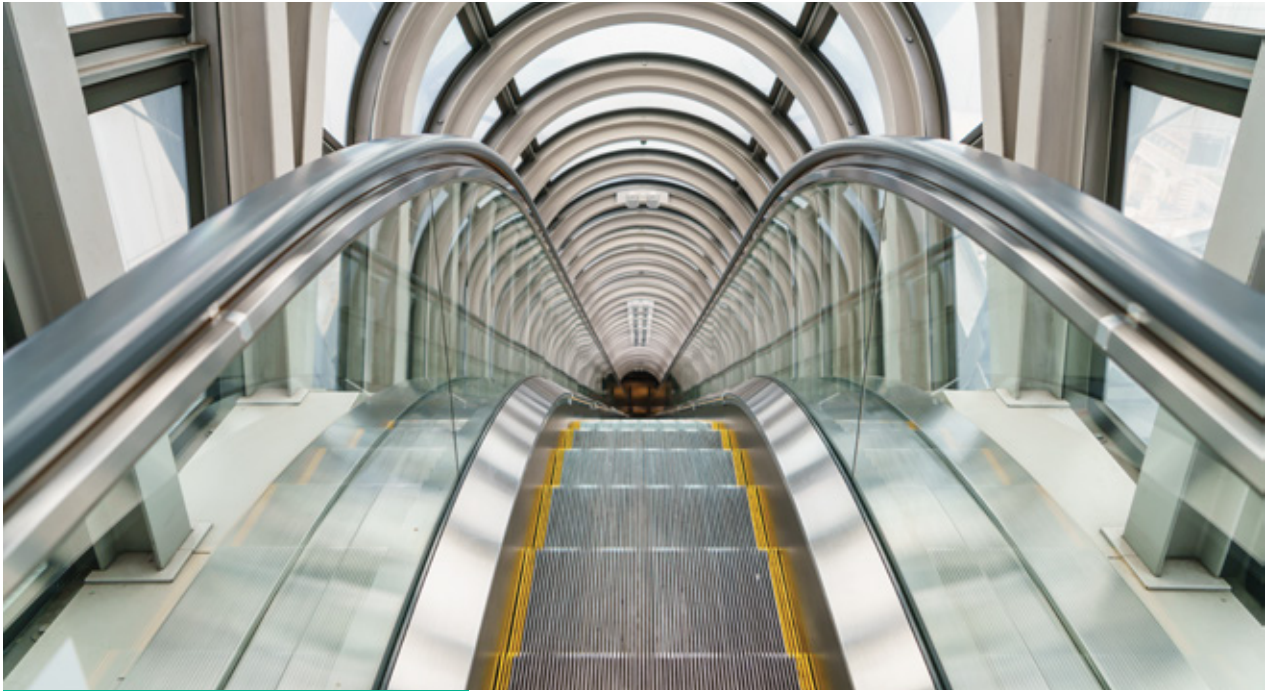

LSPMK Group offers top-tier panoramic elevator services, combining functionality with aesthetic appeal. Our solutions include new installations, modernization, and comprehensive maintenance, ensuring reliable, efficient, and visually stunning elevators. Trust our decade-long expertise for elevators that enhance both the functionality and aesthetic of your building.

LSPMK Group specializes in panoramic elevator services that expertly combine functionality with aesthetic appeal. Known as observation elevators, these feature glass panels providing passengers with breathtaking views as they travel between floors, making them ideal for hotels, offices, and shopping centers seeking to enhance user experience. Our approach begins with a meticulous consultation to grasp your specific needs and vision. We collaborate closely with architects, designers, and building owners to craft elevators that complement your building's architecture and maximize visual impact. Whether your preference leans toward a sleek, modern design or a timeless style, our team is adept at delivering customized solutions that meet and exceed your expectations. With a focus on both practicality and elegance, we ensure that our panoramic elevators not only elevate transportation efficiency but also enrich the overall ambiance of your property.

Our skilled technicians meticulously oversee the installation process, ensuring that each detail is executed flawlessly. Utilizing high-quality materials and advanced technology, we create elevators that not only enhance the visual appeal of your building but also deliver reliable and efficient performance. Passengers experience smooth and quiet operation, ensuring a comfortable and enjoyable ride. In addition to new installations, we specialize in modernizing existing panoramic elevators. Our services include upgrading your current system with the latest technology and design enhancements to improve overall performance, safety, and energy efficiency. This ensures that your elevator remains a standout feature of your building while meeting contemporary standards and regulations.

We offer comprehensive maintenance programs tailored to the specific needs of your elevator system. This includes regular inspections, preventive maintenance measures, and prompt repairs, all aimed at ensuring the longevity and reliability of your elevator. Safety is paramount at LSPMK Group. Our panoramic elevators are designed and installed in strict compliance with the highest safety standards. Our technicians undergo rigorous training to ensure that every aspect of the elevator system is thoroughly tested and inspected, providing you with peace of mind regarding safety and reliability.

Whether you are looking to install a new panoramic elevator, upgrade an existing one LSPMK Group is your trusted partner for superior elevator solutions that combine functionality, and safety.

LSPMK Group delivers expert standard escalator services, from precise installations and efficient modernizations to proactive maintenance. Trust our decade of experience for safe, reliable escalators that enhance your building's efficiency.

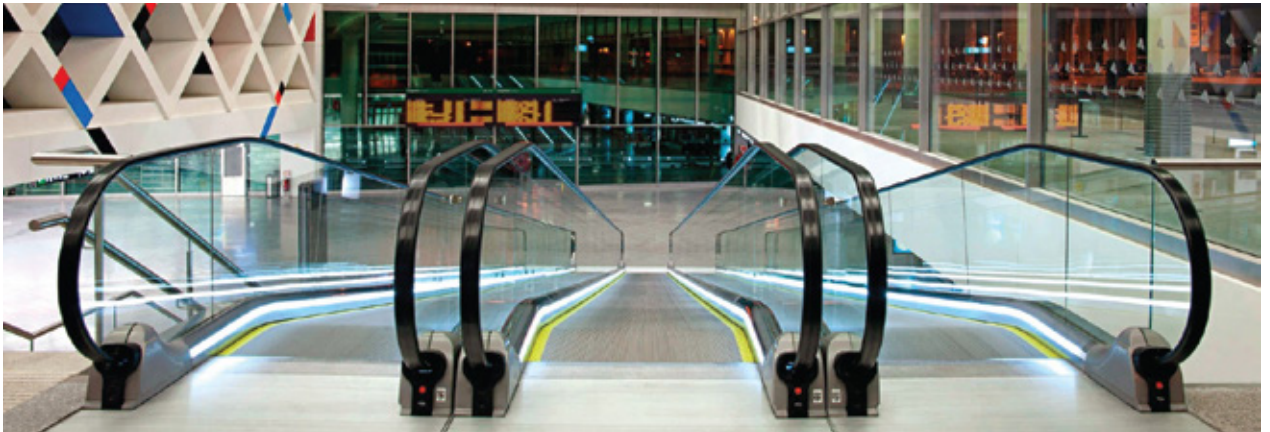

LSPMK Group is renowned in the UAE for its skilled engineers and dedicated labor force. We specialize in top-quality escalator services, spanning installation, modernization, and proactive maintenance. Our commitment focuses on enhancing mobility and efficiency in commercial and public spaces, ensuring reliable solutions that meet the highest standards of excellence.

LSPMK Group offers comprehensive services for standard escalators, focusing on efficiency, safety, and reliability in commercial and public spaces. Our expertise spans installation, maintenance, and modernization to cater to diverse client needs. We begin with detailed consultations to grasp your requirements and site conditions, customizing escalator designs to seamlessly integrate with your building's layout and traffic flow. Our installation process prioritizes precision engineering and strict adherence to safety standards, ensuring smooth operation and durability. For existing escalators, our modernization services incorporate advanced technologies to boost performance, energy efficiency, and safety features. Through thorough assessments, we recommend upgrades that align with regulatory requirements and optimize user experience. Maintenance plays a crucial role in extending escalator lifespan and minimizing downtime. Our proactive maintenance programs include regular inspections, preventive maintenance, and timely repairs by skilled technicians. We uphold safety and reliability standards.

At LSPMK Group, our primary focus is ensuring customer satisfaction through comprehensive support, including continuous staff training and round-the-clock emergency services, guaranteeing swift resolution of any escalator issues. We are dedicated to delivering high-quality service and technical excellence, positioning us as the preferred partner for standard escalator solutions in both commercial and public environments. With over a decade of experience, LSPMK Group integrates industry expertise with innovative solutions to optimize mobility and operational efficiency within your building.

LSPMK Group excels in delivering comprehensive moving walkway (travelator) services, optimizing efficiency and convenience in commercial and public spaces. These walkways provide seamless transportation across short to medium distances, crucial for enhancing pedestrian flow in settings like airports, shopping malls, and transit hubs. Our approach begins with detailed consultations to understand specific needs and site conditions, collaborating closely with architects and building owners. Our expert engineers ensure precise installation, adhering rigorously to safety standards and regulations, to guarantee smooth operation and long-term reliability, ensuring an enhanced experience for users and optimal functionality for the facility.

LSPMK Group not only specializes in installing moving walkways but also offers modernization services aimed at upgrading existing systems with state-of-the-art technologies. These upgrades focus on improving energy efficiency, enhancing safety features, and updating aesthetics to optimize performance and user experience. Each modernization project is customized to meet current regulatory standards and industry best practices. Our proactive maintenance programs are crucial for sustaining the performance and safety of moving walkways. They include regular inspections, preventative maintenance, and responsive repairs conducted by our skilled technicians. Our commitment to reliability and safety ensures that your moving walkways operate efficiently.

LSPMK Group excels in delivering tailored moving walkway solutions for seamless pedestrian transit. From precise installations and advanced modernizations to proactive maintenance, our services prioritize safety, efficiency, and reliability. Partner with us for expert support and innovative solutions that enhance mobility in commercial and public spaces.

At LSPMK Group, our primary focus is on ensuring customer satisfaction and achieving technical excellence. We are committed to providing continuous support, including round-the-clock emergency services and thorough staff training, to swiftly address any issues and maintain seamless operations. With over a decade of experience serving the UAE market, LSPMK Group has established itself as a trusted partner for all moving walkway requirements. Our expertise and dedication enable us to offer top-tier moving walkway services tailored to the specific demands of commercial and public environments, ensuring smooth and efficient pedestrian transit. From initial consultation through to project execution and ongoing support, LSPMK Group emphasizes precision and adherence to safety standards. We collaborate closely with architects and building owners to customize moving walkway designs that seamlessly integrate into the building's layout and traffic flow.

LSPMK Group excels in providing efficient and dependable cargo lift services tailored to the logistical needs of diverse industries. Also known as goods lifts, these systems are vital for transporting heavy loads, equipment, and goods within industrial facilities, warehouses, and commercial buildings. Our comprehensive approach begins with a detailed consultation process to understand specific operational requirements and challenges. We collaborate closely with facility managers, architects, and engineers to design and install cargo lifts that optimize space utilization and streamline workflow. Each installation is meticulously handled by our expert team, ensuring strict adherence to safety standards and regulatory requirements for safe operation. We offer a range of cargo lift solutions, including hydraulic and traction systems, tailored to accommodate various load capacities and building configurations. Whether you need a compact lift for light loads or a robust system for heavy-duty applications, LSPMK Group delivers solutions that effectively meet operational demands. In addition to installations, we specialize in modernizing existing cargo lifts to enhance performance, reliability, and energy efficiency. Our modernization services include upgrading control systems, enhancing safety features, and integrating advanced technologies to extend lift system lifespan and functionality. Maintenance is crucial for ensuring ongoing reliability and safety. Our proactive maintenance programs, including inspections, preventive tasks, and responsive repairs by trained technicians, minimize downtime and maximize operational efficiency, ensuring smooth and reliable cargo lift operation.

At LSPMK Group, our commitment to customer satisfaction and technical excellence is paramount. We provide ongoing training for building staff to ensure they are proficient in operating and maintaining cargo lifts effectively. With over a decade of industry experience and a proven reputation for delivering high-quality service, LSPMK Group stands as your trusted partner for all your cargo lift requirements. We offer innovative solutions designed to enhance efficiency and optimize logistics in both industrial and commercial environments. Partnering with us means leveraging our expertise in delivering tailored cargo lift solutions that not only improve productivity but also enhance operational efficiency.

LSPMK Group provides reliable cargo lift services, including installations, modernizations, and maintenance. Our expert solutions enhance efficiency, safety, and productivity in industrial and commercial environments. Trust us for seamless logistics.

LSPMK Group utilizes over a decade of expertise in the UAE market to deliver unmatched cargo lift services. Our solutions are meticulously tailored to meet local industry requirements and regulations, ensuring optimal functionality for businesses in the region. We take pride in our strong collaborations with leading international elevator brands, enabling us to incorporate cutting-edge technology and high-quality components into our cargo lifts. This partnership ensures the delivery of advanced, reliable, and efficient lift systems that significantly boost operational productivity. With our commitment to excellence, extensive market knowledge, and strategic industry alliances, LSPMK Group stands out as the preferred provider of cargo lift services in the UAE.
